Message from E-Board & Advisors

To all members:

Please review this packet in preparation for our annual elections for next year's executive board. The purpose of the resumes is for voters to understand how involved each candidate has been within FBLA and how qualified each candidate is for the position he or she is running for. There are no members running for the position of historian. Please keep this in mind when voting for candidates that specified a drop down for historian. The newly elected executive board will pick a webmaster in the beginning of the next school year.

Take the time to review this packet before making a vote and note that drop downs will occur. We look forward to seeing everyone at elections Wednesday after school on May 18th at 2:30 p.m. sharp.

Good Luck & All the Best,
2015 - 2016 FHS FBLA E-Board and Advisors
